

## **Neighborhood Assessment**

**The HOA Board has identified the following areas of focus for the next calendar year:**

- Check all street lights to ensure we have the brighter bulbs installed
- Continuously inspect streets for areas in need of repaving
- Monitor and deep clean 4 drainage ditches on Nannas Loop (May include laying down weed killer)
- Inspect trees for decaying and dead trees affecting common areas
- Trim overhanging branches that endanger roadways
- Redesign front entrance
- Purchase informational display sign for front entrance area
